

The applicant imagines being called by the Councilor to whom he/she should briefly explain the procedures in case of application to a call for proposals directly financed and managed by the European Commission/Agencies:

- Please identify the proper municipal administrative acts to apply to the call with a project proposal as lead partner,
- In the case of a positive notification from the funding body (European Commission/Agencies), please indicate the necessary steps to start project activities, also with reference to the planning and launch of activities with the Consortium of partners.

Please do not exceed one side of the given sheet and do not write double lines.
